

Alexis Elizabeth Gutowski

IT SUPPORT | APPLICATION SUPPORT | SAAS ONBOARDING

Cape Coral, FL | hello@alexisgutowski.com | alexisgutowski.com/resume/

PROFESSIONAL SUMMARY

IT support and SaaS implementation professional with 15+ years of customer-facing technical experience across business software, Windows environments, networking, hardware, onboarding, and end-user training specializing in complex implementations and go-lives. Returned to school full-time in 2022 after a pandemic-related layoff to complete a B.A.S. in Information Systems Technology, working part-time throughout the program.

TECHNICAL SKILLS

Support & Systems: Windows, Linux, macOS, remote support, application troubleshooting, PC/server hardware

Networking & Data: TCP/IP, DNS, Ethernet, LAN/WAN, VPN, VLAN concepts, SQL Server, SSMS, SQL SELECT

Development & Tools: C#, Java, Swift/SwiftUI, HTML/CSS, Git/GitHub, Visual Studio, Xcode

Platforms & Implementation: FieldEdge, dESCO ESC, Aloha POS, SaaS onboarding, training, data cleanup, go-live support

RELEVANT EXPERIENCE

Escape the Cape | Cape Coral / Fort Myers, FL

Jan 2025 - Present

Game Master / Technical Support (part-time while completing degree)

- Operate and troubleshoot computerized, electronic, mechanical, and audiovisual systems used in live escape room experiences.
- Diagnose failures during active games and repair computers, wiring, sensors, electronics, audiovisual equipment, and interactive props.

dESCO / FieldEdge | Fort Myers, FL

Sep 2016 - Sep 2020

IT Support Specialist / Onboarding Specialist

- Supported both FieldEdge and legacy dESCO ESC, resolving application, Windows, networking, configuration, and workflow issues.
- Joined the early FieldEdge beta support team and provided proactive daily assistance to roughly 20 to 30 customers as the platform grew to hundreds of users.
- Managed 8 to 16 concurrent onboarding customers through training, data cleanup, workflow configuration, implementation planning, and go-live readiness.
- Coordinated overnight conversions, used approved SQL SELECT statements for troubleshooting, and traveled nationally for demonstrations and hands-on training.

POSabilities, Inc. | Fort Myers, FL

Feb 2016 - Aug 2016

Senior Help Desk Agent

- Supported Aloha point-of-sale software and associated computer hardware while coordinating resolutions with internal staff and outside vendors.
- Maintained software license, hardware, and user inventory records and assisted with programming-related projects and gift card management.

EDUCATION & CREDENTIALS

Florida SouthWestern State College | Fort Myers, FL

2022 - Expected Fall 2026

Bachelor of Applied Science, Information Systems Technology | GPA: 3.92 | Dean's List

College Credit Certificates: Information Technology Support Specialist (2024); Computer Programmer (2025); Computer Program Specialist (2025)

Relevant Coursework: Database Administration, Advanced Database Development, Systems Analysis and Design, Information Security, Computer Networking, C# and Java Programming

SELECTED TECHNICAL PROJECTS

C# Traffic Simulation / A* Pathfinding: Graph-based simulation using object-oriented design, data structures, and changing traffic conditions.

iOS Playlist Builder: Swift/SwiftUI app integrating ShazamKit recognition, playlist management, permissions, and real-device debugging.

SQL Server Administration Labs: Hands-on work in monitoring, high-availability concepts, failover planning, performance analysis, and troubleshooting.

Additional experience: Target, Fulfillment / Flex Team Member (2023 - 2024, part-time while completing degree); DT Casino Trips, IT Manager (2007 - 2015).
